

RMA / RETURN FORM

IMPORTANT: This completed form must be included inside the box with your return. Write the RMA/Ticket number clearly on the outside of the package. Deep6 often receives packages with no note or identifying information inside, which severely delays - and may prevent - identification and processing of the return.

Description of Issue or Return

Please include symptoms, requested action, and any relevant dates, photos, or communication references.

Before Shipping

- ☐ Completed form is inside the box with the returned item(s).
- ☐ RMA/Ticket number is written clearly on the outside of the package.
- ☐ Tracking number has been saved for your records.

Deep6 Expedition Dive Gear | sales@deep6gear.com | (404) 214-7081

Do not ship a return without an RMA/Ticket number unless directed by Deep6 support.
